ABOUT MARKETING IMPACT:

- North America's premier supplier of retail merchandising and display products since 1986.
- Specializes in custom displays to common merchandising products and accessories.
- Focuses on maximizing sales and simplifying inventory management on the shelves and floors of retail environments.
- Offers a range of more than 4,000 functional, adaptable, innovative merchandising and display products with complementary accessories.
- Large on site inventory allows us to ship most orders in 24 hours or less.
- Team of highly creative designers and engineers with years of experience in continually developing functional and effective displays and merchandising products.
- Innovation and creativity and constant research of trends always keeps us a step ahead of the global marketplace.
- Outstanding customer service representatives always ready to provide fast and effective solutions to your merchandising challenges, and ready to answer any questions you may have.
